OPEN GRATE CLAIMS CHILD

Virginia Hart was Warming Hands When Her Dress Caught Fire

BROTHER EXTINGUISHED FLAMES

An accident that shocked and grieved the entire community occurred Wednesday night about 8:30 o'clock when the clothing of three-year-old Virginia Hart caught on fire from an open grate and she was so badly burned that death came at 11 o'clock.

Mrs. Hart and the children had been visiting the home of a neighbor, and on returning, she and her boy, T. O., Jr., stopped at the front gate a few moments in conversation with Mrs. R. L. Fenwick. Little Virginia ran on ahead into the house and was evidently trying to warm her hands at the grate when her dress caught fire and in a moment was in flames. T. O. Jr., saw the reflection of the fire through a window, and thinking his sister had a newspaper in the grate, ran in to prevent her from playing in the fire and found her clothing a mass of flames. He then ran for a pan of water and poured it on his sister extinguishing the flames. By this time Mrs. Hart came in the room but the little one was so badly burned it was impossible to do anything for her.

Everything possible was done that could be. Dr. Sisk was hurriedly sent for, neighbors rushed to her assistance, kind and willing friends offered their services but the Death Angel had called and little Virginia soon passed from this earth to Heaven.

Mr. Hart was telegraphed for and reached home shortly before the child's death.

The burial took place yesterday afternoon in the Earlington cemetery at 8 o'clock in the presence of a large number of friends. The bereaved family have the deepest sympathy of the entire community in their loss.

Thus over a happy home the shadow of a little grave has fallen and as only the father and mother know it is wonderful what a long, long shadow a very little grave can throw. This beautiful baby life was so precious, so fraught with blessings to her parents that she seemed a flower of paradise permitted to bloom for a brief season by their side and then recalled for some good purpose to her heavenly home, when the messenger from the unseen world came to claim this dainty darling as his own.

When we see a precious blossom That we tended with such care Rudely taken from our bosom How our aching hearts despair!

Round her little grave we linger, Till the setting sun is low; Feeling all our hopes have perished With the babe we cherished so.

Virginia sleeps, but not forever, There will be a glorious dawn, And we shall meet to part no more, On the resurrection morn.

RAILROAD MEN JOIN G. O. P. CLUB

Brotherhood Members Hear Denunciation of Wilson for 'Meddling'

Princeton, Ind., Oct. 12.—One hundred and thirty Princeton railroad and shop men within a few minutes last night pledged themselves to Hughes and a protective tariff, when, in a roving meeting of Southern railroad employees in Huen's Hall here, the Railroad Men's Republican Club was organized with L. P. Silomon as president. Many others will join. The meeting was a revelation to those who believed the so-called eight hour law had drawn all railroad men's support to President Wilson.

The feature of the big meeting was an address by James D. Ryan, secretary-treasurer of the local Order of Railway Conductors and one of the oldest organizers of that order in the country in point of service. Until two weeks ago Mr. Ryan was for Wilson; he had expressed the belief that he felt he must support him. Last night Mr. Ryan told why he was against Wilson and could not support him and why he believed he deserved the condemnation of every brotherhood man.

SEVENTH GRADE HAS BACON FRY

In the Walnut Grove on the Banks of Beautiful Loch Mary

Miss Stanley and the Seventh grade enjoyed a bacon fry Tuesday afternoon in the walnut grove. The young folks romped and played games until supper time and then made a big camp fire and fried bacon and baked potatoes and ate until they could hold no more.

Watt Sisk Badly Injured

Watt Sisk had his hand badly injured while at Hanna's machine works yesterday. He was fooling with a drilling machine and his coat sleeve caught some way and pulled his hand under the drill cutting the flesh from between his thumb and forefinger and also from the opposite side of his hand. He was rushed to the St. Bernard Hospital as soon as possible where the injured member was dressed. He is at present in the hospital and is getting along nicely.

SOCIAL ITEMS

Triangle Club
Miss Margaret Kemp entertained the Triangle Club Thursday evening at Oakmoor. All members were present and at the close of the evening the hostess served a delightful ice course. The next meeting of the club is with Miss Agnes Lynn.

EXTRAORDINARY SITUATION

Calls Forth the Following Statement to Newspaper Readers

TO THE NEWSPAPER READERS OF KENTUCKY:

The Executive Committee of the Kentucky Press Association wishes to bring to the attention of newspaper readers, and the friends of the press, the serious situation confronting the publishers at this time, and point out some facts which we feel should be communicated to you in our attempt to meet conditions recently thrust upon us. We do this after much thought on the matter, feeling that we are acting for the good of both publisher and reader. Doubtless you have been or will be called upon to pay a few cents more on your jobwork, and in some instances more for your paper and advertising in cases where subscriptions and advertising rates have been at the minimum.

In the interest of a free press we ask you to meet the advance cheerfully.

There may be ample excuse, slight excuse or no excuse to advance the prices on us as they have been advanced, but the fact remains that we are paying from 50 to 500 per cent. more for our paper stock, inks, oils, gasoline metal, etc., than we did eight months ago.

Paper makers insist there must be a cutting down in the demand upon them; that they are working three shifts a day and that at this season of the year when they should be accumulating a reserve stock, they cannot supply the demand. Large publishers everywhere are trying to meet the suggestion of the paper makers by the strictest economy, in which they are cutting down the size of paper, margins and granting no return of unsold papers. Small publishers have slight opportunity to economize in this manner. The Federal Trade Commission is deeply concerned and alarmed but so far seem powerless to suggest feasible or adequate relief methods. Under existing circumstances few newspapers can continue long without a readjustment. Hundreds of the weaker ones have already gone under and many more are about to suspend.

There is a remedy and it lies in the strictest economy, advancement of rates on job work, advertising and subscription. It matters not how reluctant publishers are to do this, it will have to be done if they continue in business, and continue to be useful to their readers and patrons.

In conclusion, we call on all persons who believe in the mission of a free press to co-operate with us in adjusting our business to these new and unheard of conditions.

THE EXECUTIVE COMMITTEE
Of the Kentucky Press Association.

P. S. Since the above statement was prepared we note that a number of press associations have prepared similar statements to the public.

Central Coal and Iron Head Says He Will Never Recognize Workers

Central City, Oct. 10.—Members of the United Mine Workers reported for work at the Central Coal & Iron Company's mine this morning, and were refused admission to the mines by President S. J. Gish. They were told that the United Mine Workers of America would never be recognized again by him and that the only way that they could get employment now was to join the Southern Miners Association. This they refused to do and left the mines.

Members of the new organization are in the mine making coal for tomorrow's run. W. O. Smith, International organizer of the United Mine Workers of America, has called a meeting of the local union for this afternoon, the purpose of which has not yet been ascertained. So far, there has been no trouble.

Tuberculosis Fatal To Mrs. Howell

Mrs. Anna Howell, aged 53 years, died at 11:30 o'clock Thursday morning after a lingering illness of tuberculosis. She is survived by her husband, W. N. Howell, and the following children: Mesdames Agnes Nance, Bisbee, Ariz.; Bessie Crabtree, Madisonville; Oarrle DeMoss, Hanson; Elgie DeMoss and Dempsey Howell, Vandetta; Mrs. Chas. L. Pierce, Miss Leonard Howell, Sawyers and Denver Howell, all of this city.

The body will be taken to Hanson today. Rev. Johnson, of Hanson, is to conduct the funeral services. Interment will be in the New Providence cemetery this afternoon.

The man who does not take home paper misses three-fourths of what is going on in his home community. He must either borrow the paper from his neighbor and be considered a tight wad and a nuisance, or he must be content to learn a little and know less. This paper costs but \$1.00 a year, and is worth ten times that amount to any person.

PROMINENT PEOPLE WED

Miss Margaret Atkinson, of This City, and John Street Married

QUIET HOME WEDDING

Yesterday afternoon at the home of the bride's parents on Main street Miss Margaret Atkinson, the lovely daughter of Mr. and Mrs. Geo. O. Atkinson, was united in marriage to Mr. John Street, of Cadiz, Ky.

It was a quiet home wedding, the only guests present being relatives of the bride and groom. Rev. Howard J. Brazleton, of Mayfield, who was for a number of years pastor of the Christian church of this city, officiated in his usual impressive manner. The spacious home of the Atkinsons was artistically decorated for the occasion, being transforming into a scene of unusual beauty and elegance. The bride wore an exquisite traveling suit and hat and came in with her father. The groom was dressed in the conventional black and came in with his brother, Thomas Street.

After the ceremony a honeymoons wedding supper was spread for the happy couple and their guests.

Miss Margaret is the youngest and a most attractive daughter of Mr. and Mrs. George O. Atkinson, who by her charming manner and delightful personality is known and loved by a large circle of friends. The groom is a young man of unusual ability and worth, being one of the leading bankers of his home town where he has the confidence and respect of all who know him.

The bride and groom left last night on the Dixie Flyer for Chicago and other points where they will spend their honeymoon. After their return they will make their home in Cadiz.

The guests present were: Mr. and Mrs. Edward Street, Misses Mary and Frances Street, Mrs. Mary G. Street, Miss Mary Grinster, Miss Gertrude Orenshaw, Miss Georgia Alexander, Thos. Street, Clarence Street, all of Cadiz; Mrs. Ida Walker, of Madisonville; Fritz Hall, of Nashville; Mr. and Mrs. Newell Alford, Mr. and Mrs. Frank D. Rush and son, Dillman, Paul M. Moore and son, Paul Moore, Jr., and Mr. and Mrs. Y. Q. Walker, of this city.

Ollie James Speaks In Madisonville Oct. 17

Rev. J. L. Burton To Begin Revival

Rev. J. L. Burton, pastor of the M. E. church, will begin a series of meetings at the local church Sunday night. There will be good music, and as Rev. Burton is a strong and forceful preacher, large crowds will likely attend the services. The public is invited to come to the revival.

ANNOUNCEMENTS

For Congress

Hon. William T. Fowler

We are authorized to announce
Hon. William T. Fowler, of Chris-
tian County as Republican candi-
date for Congress from the Second
Congressional District, subject to
the action of the voters at the gen-
eral election to be held Tuesday,
November 7, 1916.

CARD OF THANKS

We wish to express from the
depths of our hearts our sincere
gratitude to the dear neighbors
and friends who so unselfishly
ministered to us during the re-
cent death of our little Virginia.
We assure them they have ever
earned for themselves a tender
spot in our hearts and memories.
We also desire to thank all who
contributed the beautiful floral
offerings. They were indeed love-
ly and nothing could have been
more appreciated.

Mr. and Mrs. T. O. Hart.

Grave Defect in Military System.
During our Mexican war under Gen.
Winfield Scott 104,000 troops were
employed, and only 12,000 of this number
were of the militia. Scott was muc-
handicapped, however, by the custom
of short enlistments, and the total ab-
sence of system pertaining thereto.
The commander learned on reaching
Mexico that seven of his eleven regiments
had decided to terminate their
services at the end of the year, a
problem that was only solved by the
lack of vitality of the Mexican forces.

Cutting Wide Slots With Hack-saw.
Mechanics frequently find it neces-
sary to cut slots in metal with a hack-
saw. When wide slots are required, so
that a single cut from a blade will not
make them, two or more blades may
be placed together and a wider cut
made. If the pins, over which the
blades are hooked, are straightened
slightly they will hold several blades
with a uniform tension.—Popular Me-
chanics Magazine.

You will be making many purchases

Peculiar Russian Dish.

One of the national dishes of Russia
is known as the Pashka. It is a sort
of cake that stands one and a half
feet high, and is always put on a tall
base. It is usually surmounted by a
sugar cross, and is placed in the center
of the table when the Russians
hold their great feast of Easter when
the fast is broken. It takes about 60
eggs to make the Pashka, but none
but natives can succeed in producing
the rare taste.

which he is loved and blessed by.—

UGH! CALOMEL MAKES YOU DEATHLY SICK

Stop Using Dangerous Drug
Before it Salivates You!
It's Horrible!

You're bilious, sluggish, con-
stipated and believe you need
vile, dangerous calomel to start
your liver and clean your bowels.

Here's my guarantee! Ask
your druggist for a 50 cent bot-
tle of Dodson's Liver Tonic and
take a spoonful tonight. If it
doesn't start your liver and
straighten you right up better
than calomel and without grip-
ing or making you sick I want
you to go back to the store and
get your money.

Take calomel today and to-
morrow you will feel weak and
sick and nauseated. Don't lose
a day's work. Take a spoonful
of harmless, vegetable Dodson's
Liver Tonic tonight and wake up
feeling great. It's perfectly
harmless, so give it to your
children any time. If can't
salivate, so let them eat anything
afterwards.

If you can't speak well of this
town, at least don't speak at all.

Silence is golden, especially when
your alibi is not satisfactory to your
wife.

tiseptic. The formula on the bottle
tells why it relieves colds and

TANLAC, THE GREAT NEW MEDICINE, SWEEPS OVER NATION: MERIT WINS AND MULTITUDES GIVE IT PRAISE

"Made Me Younger"—"Put Me Back on the Pay-
roll"—"Gave Me New Life"—In the Thousands
of Endorsements Given Master Medicine

This is Tanlac Week.

More than seven million five hundred thousand bottles of Tanlac have been sold in
the United States in the two years since the first bottle was sold.

That fact alone is sufficient explanation why Tanlac Week should now be celebrated
in cities throughout the United States. The tremendous and unprecedented success of
Tanlac could not have been achieved without true merit. The 8,000 druggists who are
giving Tanlac their renewed endorsements by special displays this week know that they
have behind them the unqualified endorsement of Tanlac by millions of satisfied custom-
ers.

No other medicine has ever had the same success that Tanlac has won as a tonic, ap-
petizer, invigorant and revitalizer. Its fame was instantaneous and it spread through the
country until today it is known everywhere as the Master Medicine.

True Worth Explains Success

Tanlac's success is easily explained—true worth. The tens of thousands of men and
women who have endorsed it praise it because they are grateful for the relief Tanlac has
given them.

To suffer from sleeplessness, indigestion, nervousness, rheumatism, belching and bloat-
ing from gas; dizziness and biliousness; kidney and liver troubles, pains in the stomach,
the back and the head for years, and then to get relief through a tonic that is pleasant to
take, gentle and gradual in its results, renewing the appetite, aiding assimilation, and re-
storing health, vigor, ambition and strength, is enough to make people grateful.

Tens of thousands of people have said that Tanlac is the Master Medicine. Tanlac
Week therefore means something to them.

Endorsements Are Remarkable

Some of the endorsements of Tanlac are remarkable. They show that taking Tanlac
was a profitable investment for sick, weak, nervous, run-down men and women—profita-
ble in more than one way. Some of the praise of Tanlac is in phrases that are written
over and over.

"I feel like a new man"—"Tanlac has put me back on the payroll"—"I never lay off
from my work since I took Tanlac"—"I do twice as much work as I used to"—"Tanlac
has made me feel twenty years younger"—"I wake up in the morning feeling fine now."

Many women have written, "I have my natural color back since I took Tanlac"—"I
feel like a girl again"—"My neighbors ask me what I have done to look so young and my
answer is Tanlac"—"I feel like a different woman; my housework is a pleasure since I
took Tanlac"—

Those are some of the expressions which tens of thousands of men and women have
used, in statements praising Tanlac.

Tanlac Meets a Need.

Prepared from secret formula, purely vegetable and absolutely free from mineral
taint, Tanlac has met the need of a great reconstructive tonic to feed while it heals sick,
sore stomachs; to promote digestion, aid assimilation, induce healthy and normal function
of the digestive apparatus, and to build up health and strength in a natural way.

Throughout the vast world Nature has placed remedies for the healing of nations.
In Tanlac the best of them are merged for a sensible, reliable remedy. In Tanlac nature
offers the great natural remedy for the everyday ills from which millions of men and
women suffer.

The ingredients or medicinal elements which make Tanlac come from far separated
sections of the globe. It is as though nature, planting her gardens in every zone of the
vast world, permitted man to select the best for compounding into a great remedy. Man
has spared no expensiveness labor to get these best ingredients.

Now a Household Remedy

Roots, herbs and barks best suited to a great tonic are used in making of Tanlac.
They are selected scientifically and blended with care. In order to insure a supply of
them for Tanlac, The Cooper Medicine Company bought large amounts of certain ingre-
dients. Tens of thousands of one ingredient were bought on one order.

Tanlac's success, starting so quickly, is lasting. It has become a household remedy
and is in two million homes because it is the great medicine which Nature offers from her
best products.

Millions of people know this and Tanlac therefore is praised everywhere as The Na-
tional Tonic—the upbuilder of health strength through the stomach, blood and nerves.

TAKE "CASCARETS" IF HEADACHY, BILIOUS AND CONSTIPATED

Best for Liver and Bowels,
 Bad Breath, Bad Colds,
 Sour Stomach

Get a 10 cent box.
 Sick headache, biliousness,
 coated tongue, head and nose
 clogged up with a cold—this
 traces this to torpid liver, delay-
 ed, fermenting food in the bow-
 els or gout, gassy stomach.
 Poisonous matter is absorbed in
 the intestines, instead of being
 cast out of the system as it really
 should be. When this poison reaches the delicate
 brain tissue, the usual congestion

and that dull, throbbing, sicken-
 ing headache.

Cascarets immediately cleanse
 the stomach, remove the sour,
 undigested food and foul gases,
 take the excess bile from the
 liver and carry out all the con-
 stipated waste matter and poi-
 sons in the bowels.

A Cascarel tonight will surely
 straighten you out by morning.
 They work while you sleep—a
 10-cent box from your druggist
 means your head clear, stomach
 sweet and your liver and bowels
 regular for months.

Of the people who buy goods on
 credit 40 per cent never pay in full
 7 per cent never pay at all, and we
 don't know how many wish they
 could get out of paying.

The Quinine That Does Not Affect The Head
 Because of its tonic and laxative effect, LAX-
 ATIVE BROMO QUININE is better than ordinary
 Quinine and does not cause nervousness nor
 bring on a headache. Remember the full name and

Every merchant in this town
 wants to sell you goods. You want
 to trade with the merchant who
 will do the best by you, who will
 sell you the best goods at the least
 price. It is up to you to read the
 ads in this paper, and it is up to the
 merchant to see that you read his
 ad. When you both do this you both
 win.

AGED FARMER

Made Strong and Well by Vinol
 This letter proves there is nothing
 equal to Vinol to create strength for
 weak, run-down conditions.
 Vestal Centre, N. Y.—"I am a far-
 mer 74 years of age and got into a
 weak, run-down condition as a result
 of the Grippe. Our druggist suggested
 Vinol to build me up and I noticed
 an improvement soon after taking it,
 and it has restored my strength so I
 can now do a good day's work. My
 wife has also taken Vinol for a run-
 down condition with splendid results."

Salt Mines Worth a Visit.
 The salt mines of the Marmarosa-
 Salget district have been worked for
 centuries and many Americans who
 have toured this part of Hungary have
 visited the deep galleries whose rock-
 crystal walls glitter as if studded with
 countless iridescent jewels as they re-
 flect the rays of the electric lights.
 One of the most interesting mines is
 that of Ronaszek which contains a
 great subterranean salt lake having
 a depth of nearly 300 feet.

Bad Colds from Little Sneezes Grow

Many colds that hang on all win-
 ter start with a sneeze, a sniffle, a
 sore throat, a tight chest. You know
 the symptoms of colds, and you know
 prompt treatment will break them
 up. Dr. King's New Discovery,
 with its soothing antiseptic bal-
 sam, has been breaking up colds
 and healing coughs of young and old
 for 47 years. Dr. King's New Dis-
 covery loosens the phlegm, clears
 the head, soothes the irritated mem-
 brane and makes breathing easier.

If one half the mean things that

OUR SUITS Impart the Style

Because this is so, we select our women's
 Suits from Master Makers. Men who have
 made a thorough study of women's fashions.

One can find here just the kind of suit
 that was designed for her particular type of
 figure—a garment that will fit her as nicely
 as though it were made to individual order.
 We would deem it a pleasure to show you
 the new styles received by this week's ex-
 press.

In view of the increasing scarcity of ma-
 terial we suggest that you select your fall
 garments now while our assortments are so
 comprehensive.

The suits will attract you because of the popular
 length of jackets—some are knee length; some are shorter
 and a few are longer. Most of the jackets flare from the
 waist line. Many new clever sailor collar effects are noted.
 Fur trimming is in evidence and many other style features
 are noted.

Come this week and try them on and see for yourself
 if we are not showing the most up-to-date line of coats
 and suits in the city.

Every garment sold under a guarantee—no better
 garment for the money in the world.
